*Please note that it is mandatory for all students utilizing the two-payment plan or the 10 monthly payments to enroll in the *Tuition Refund Plan*. For more information on the *Tuition Refund Plan*, see page 3.

Fees

Fees cover tuition, textbooks and transportation costs for members of SMUS athletic teams, music groups and other clubs. Boarding fees also include meals, lodging, laundry, general supervision, use of the Health Centre and 24-hour nursing. Fees do not cover medical costs, hospitalization, personal expenditures, course workbooks (when required), lost or damaged textbooks, optional trips, school uniforms or telephone and computer connections in the boarding room.

Siblings will have a 5% reduction made in the annual fees payable (board and tuition only) in any year when more than one child of a family attends the school. It is hoped that a number of parents will generously opt not to accept the discount but instead will forward a cheque for the credited amount as a tax deductible donation to the SMUS Bursary and Scholarship fund.

Supplementary Fees

Entry registration for new day students	\$2000
Entry registration for new boarding students	\$2500
Extras advance (new boarders only)	\$1000

New Students

Registration and Conditions of Admission (upon completion of the application process and acceptance of the student by St. Michaels University School):

- An initial *non-refundable* registration fee of \$2000 for day students and \$2500 for boarding students is payable immediately upon acceptance to cover costs of registration of new students. This is *not* part of the tuition fee.
- Upon acceptance, all fees are payable in full by post-dated cheque(s) in accordance with the fee schedule, and must be submitted by April 9, 2010. New students who are accepted after April 9, 2010 must immediately submit post-dated cheques in accordance with the fee schedule.
- In addition to the tuition fees, new boarding students must submit an extra advance of \$1000 as a security deposit. This security deposit will be credited to the student's account **when the student leaves boarding permanently**.

Returning Students Re-Registration

After the first year's study, a student enrolling for the second or subsequent year is required to submit a returning student deposit and registration form by February 22, 2010. The following year's fees are payable in full by post-dated cheque(s), in accordance with the fee schedule, and must be submitted by April 9, 2010.

Returning student deposit for Day students	\$1000*
Returning student deposit for Boarders	\$1500*

*This deposit will be applied to the student's account on July 31, 2010 and should be deducted from the first fee payment.

Unless these requirements are met, the place will be offered to a new student. Failure to comply with these conditions will not prevent late admission, however a place can not be guaranteed and, accordingly, admission may not be possible.

If a student is not planning to return for the 2010-2011 school year, please submit a written notice of intent by April 9, 2010.

Responsibility of Payment

- When a student is enrolled, a place is reserved for the entire year. Unless the School receives **written** notification of withdrawal prior to May 31, 2010, **no reduction or refund of fees will be allowed for absence or withdrawal**.
- There will be no refund of the fee in the event of withdrawal for any reasons whatsoever, at any time during the school year, unless the student is covered by the *Tuition Refund Plan*.**
- The Board of Governors reserves to the Head of School the right to insist at any time upon the immediate withdrawal of any student whose presence in the school he considers undesirable, but this will not affect the foregoing obligation.
- If a student is expelled during the school year, any fees paid to that date will be forfeited and any fees owing shall remain payable. A partial refund may be applicable if the student is covered by the *Tuition Refund Plan*.

Statement of Account

Each month a statement will be created reflecting the status of the student's account, which is due and payable within 30 days. The statement will be posted monthly to the school's intranet site for which you will receive a username and password to access your student's account information. An interest charge of 2% per month (calculated and compounded monthly, with an equivalent interest rate of 26.9% per annum) will be applied to amounts outstanding 30 days following the statement date. A service charge will be applied for all returned cheques.

Documents

To ensure compliance with residency and immigration requirements, originals or copies of the following documents must be submitted to the Boarding Services Office on the first day of the term:

- a) for Canadian citizens, a Birth Certificate or a Citizenship Card (both sides if photocopy), or a Landed Immigrant Certificate
- b) for non-Canadian students, a Canadian Study Permit (Student Visa)
- c) for all boarders a current passport

Tuition Refund Plan

The School has many expenses of a continuing nature, such as faculty salaries and plant maintenance. In order to plan and maintain these services over the entire school year, it is essential that the annual revenue from fees be assured. For this reason, students are enrolled for the entire school year or such portion as may remain after the date of entrance. The fact that the fee is paid in two or more installments does not constitute a fractional contract.

In view of the foregoing, **no reduction or remission of fees will be allowed by the school for absence, withdrawal or dismissal.** Because of this necessary regulation, the *Tuition Refund Plan* is offered to protect the person(s) accepting financial responsibility for payment of fees in the case of withdrawal during the school year. The *Tuition Refund Plan* is mandatory for parents who choose one of the payment plans. The *Tuition Refund Plan* is optional for parents who pay tuition and boarding fees in full by July 31, 2010, or upon acceptance of the student at the school. This option is available until September 9, 2010. A summary explaining this plan is available. A parent may apply for coverage under the *Tuition Refund Plan* by completing the *Tuition Refund Plan* Enrollment Form and returning the signed form to the Financial Services Offices.
