

Journey for Life

Phase I
The Junior School Annex

Journey for Life

Cost of the project: \$10 million
Raised & Committed to date: \$4 million
Goal: to raise the balance through donations by the end of this year

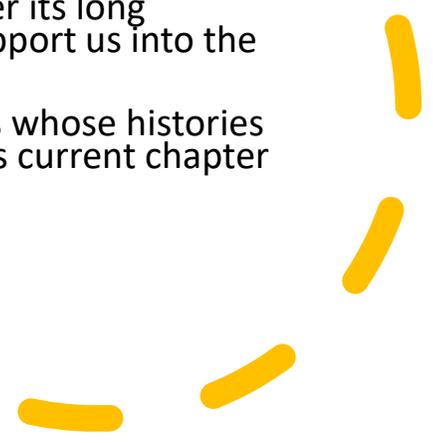

Journey for Life

WHY THIS NAME FOR OUR CAMPAIGN?

- We aim to prepare our students for life, beginning with their first days at Junior School, and help them discover the paths of their own journeys
- The journey represents that of our students through all grades at the school and beyond our gates as young adults and alumni
- The journey is a shared one in which parents and faculty all help guide our students
- The Journey for Life name also represents our shared Community for Life
- The name connotes the life and journey of the School itself over its long history; we are now preparing our facilities for a new life to support us into the future
- A lifelong journey is also illustrated by the many legacy families whose histories and philanthropy at our founding schools has brought us to this current chapter
- It's memorable, meaningful and ours alone!
