Christmas Classic Basketball Camp

Whether you are brand new to basketball or have already found your passion for the game, we have a diverse coaching staff tailored to train players of all skill levels. The coaching staff consists entirely of current and former collegiate and varsity players as well as high school coaches. All of our coaches strive to create a positive, fun, and safe environment for all of our campers. The week will be challenging and require hard work as we focus on skills and drills, but it's well balanced with fun and competitive gameplay. Included in the program is a premium camp shirt along with the opportunity to win tons of prizes and awards! We are feeling generous and will be ordering DOUBLE the amount of prizes this holiday season! It is a great way to keep playing basketball and see your friends over the holidays! This camp is always quick to fill up and you don't want to miss a week with this coaching staff, be sure to register quickly to ensure your spot is reserved.

Rex Top Prospect Camp

This camp is tailored towards elite high school players on Vancouver Island and surrounding areas. The week's mission is to train athletes to become better all-around players and people while giving them the opportunity to display their talents. The Camp will be focused on all facets of the game including; skill development, game-specific scenarios, basketball IQ development, teammate-ship, and the mental approach to the game. The Camp provides plenty of basketball skill development while also offering the opportunity to showcase those skills in 5-on-5 games throughout the week. This program will be the first of a three-stage selection process for our Spring 2023 U18 Capital Invite League.

Stage 1: Rex Top Prospect Camp 1.0 (Winter 2022)

Stage 2: Rex Top Prospect Camp 2.0 (Spring 2023)

Stage 3: Passion Sports All Island Invite Camp (TBD)

These top prospect camps are run by our elite skills coach Chris Marsh. Chris is considered by many to be the best Basketball skills trainer on the island and even in BC. He has an extensive resume that includes playing at a high post secondary level and even beyond that at the professional level. As someone who grew up in Victoria, Chris has a special connection to the city and the island and wants to continue to grow the basketball community he is from.
