Fashion Design & Sewing Combo Camp

Explore the creative space that intersects art and sewing. Students will learn various sewing and fibre art techniques as they complete several engaging projects to take home. Learn industry-standard fashion design techniques in technical drawing and illustration, gain valuable tips on replicating different fabric textures, and develop their familiarity with an extensive amount of vocabulary related to styles and design elements found in apparel.

Students will discover how designers find inspiration all around them and apply this knowledge to develop their own thematic collection of fashion designs using a variety of art mediums.
