August 16 - September 1 9am-3:30pm	Musical Theatre (Grade 9-12) "Disaster!"	\$575

A recent Broadway hit show and a parody of the 1970s disaster film genre. In this musical, a group of New Yorkers attend a grand opening of a floating casino (and even a disco!) that quickly succumbs to all sorts of tragic disasters. This "Jukebox musical" revives popular 70s songs that will feature the entire cast.

No previous theatre experience required and no auditions necessary. Some prior dance, acting or voice training is helpful but not required. The first 24 to sign up are automatically in the cast.
