

Middle School Supply List

All students in Grades 6, 7, and 8 require the following general supplies to start the year. Once students have met with their individual teachers, additional items may be required.

- 3 blue or black and 3 red ball point pens
- 4 packages of lined paper
- 1 - 15 cm/6' ruler with both inches/centimeter marking
- 10 pencils HB
- 2 erasers
- 1 scientific calculator (not graphing)
- 6 binders (4 one inch/2 two inch; 6 packages of divider pages - Grade 8)
- 6 binders (3 one inch/3 two inch); 6 packages of divider pages - Grades 6/7
- 1 package of graph paper
- 1 math set (compass, protractor, etc.)
- 2 duo tangs
- 1 pencil sharpener
- 1 set of personal ear buds (for use with school devices with teacher permission)
- 1 pair good quality 8" scissors*
- 1 set (24 or more) Prismacolor pencil crayons*
- 1 set of felt pens (various colours)*
- 2 UHU 21g. glue stick clear (not coloured)*
- * Also used as part of Art Supply List

Art Supply List (required for all students)

- sketching pencil set with a range from at least 6B to 2H
- White soft rubber erasers (2 minimum)

Other Supplies

Occasionally, the school requires that students have certain items. Supplies such as a Math exercise book are billed to student accounts. A school agenda is provided at no cost to students. If an agenda needs to be replaced, the cost is billed to the student's account.

Locks

Students have a book and a PE locker. We strongly recommend students use the combination locks available at the Middle School office for both lockers. These locks are charged to student accounts and can be reused from year to year. Many locks which are purchased elsewhere are not durable and inevitably need to be cut or they have keys which go missing. Some locks purchased elsewhere are heavy duty with hardened steel which are hard to cut off if they malfunction and don't open. The combination lock available through the school is the best option.

Please label items clearly with first and last name. Supplies may be re-used from year to year and some will need to be replenished, as necessary, during the year.
