

SMUS Uniform Handbook

St. Michaels
University School

Dress Code for Junior School Students

Dress and Appearance

The Junior School uniform is designed to be practical, comfortable and easy to wear while helping students take pride in being members of the SMUS community.

Students wear school uniforms every day. The Number One dress uniform is required on Mondays, for special events, and when students are representing the school.

We expect students to respect themselves and be proud of their school. This respect and pride should be reflected in their general appearance. We encourage all students to feel pride in being members of St. Michaels University School and wear their uniforms proudly.

Dress Code for Middle School Students

Dress and Appearance

Appropriate dress is expected of all students. We expect students to respect themselves and be proud of their school. This self-respect and pride is reflected in a student's general appearance.

Students should wear Number One dress uniform on Tuesdays, special occasions, or when representing the school. Students who cycle to school may change into the uniform upon arriving; otherwise, students are expected to travel to school and leave school in their school uniform. Appropriate dress is expected of all students, whether during the school day or staying on campus after hours. It is not enough to simply wear the appropriate dress. Grooming is equally important.

Shirts must always be kept tucked in, except for tailored shirts with no tails. Earrings must be simple (small stud or hoop is appropriate). No facial jewelry. Nail polish can be worn in any colour. No artificial nails or long nails for health and safety in PE and sport.

Outdoor Jackets

If required outside and while moving between buildings, a jacket or SMUS top may be worn over the sweater or blazer. Outdoor jackets are to be removed once inside buildings. Outdoor jackets should be in neutral or school colours (black, navy, red, grey) with no large designs or logos.

The school cannot be held responsible for lost items, and it expects that all uniform items be labeled.

The table below refers to "crested" items, which means the SMUS logo or name.
